The new ALBRECHT-Generation:

For the first time we grant 3 years warranty on the AE 6190 HD.

Because of the latest technology (SMD), Micro-processorcontrol and a first class processing, became this CB-radio a long life and solid unit.

The equipment of this transceiver were reduced to the essentially functions of a radio, to create a user-friendly, simple and robust transceiver. This makes the AE 6190 HD suitable for daily use.
