Introducing the Motorola CD5001

The Motorola CD5001 is built to make communication easy and accessible to everyone, delivering a multitude of helpful features in an attractive and stylish design.

Featuring a large, easy to use keypad with illuminated graphics, the display is large and bright to ensure easy reading of the display information. Ergonomically designed, the handset has a tactile keypad and a rubber rear cover to provide comfort and secure grip.

The Motorola CD5001 supports high performance audio options; with Hearing Aid Compatibility, amplification delivered using a dedicated key, and a ringer volume boost option so everyone can enjoy clear conversations.

With three dedicated direct dial memory keys on the handset, the Motorola CD5001 gives you easy access to those you call frequently.
