1080P

Wi-Fi HD Security System

Wi-Fi Monitoring System with
2 x 1080p Day/Night Cameras
& Smartphone Connectivity

Protect what matters most

Family

Elderly

Kids

Employees

The easiest way to know your family is safe!

- Take the hassle out of security with Swann's latest wireless high definition network video recording surveillance system
- Plug the 2 cameras into power sockets then enjoy wireless connection to the NVR in minutes using your existing Wi-Fi network, with 2 high performance antennas for maximum range
- Place Swann's cameras anywhere indoors or outdoors & see crystal clear full HD 1080p image quality
- Hear what's happening while you're away as cameras have built-in microphones with audio up to 16ft/5m
- See in the dark with IR cut filters to provide powerful night vision up to 65ft/20m and wide 75 degree wide angle lenses to cover more area. Expand your system by adding 2 more NWW-480 or NWW-485 cameras for full 4 channel monitoring
- Set & forget motion triggered recording from 4 cameras for 300+ days onto a pre-installed 1TB hard drive
- Security in the palm of your hand with the ability to view live or recorded video on your Smartphone or tablet using the free SwannView Link app
