DAY/NIGHT VISION

WEATHER PROOF

Be protected & see every detail in 5MP Super HD

- A state-of-the-art & easy to use surveillance system with 5 Megapixels (2.4x better than 1080P Full HD) super high definition video to see every detail & protect your premises
- Set & forget by recording from 8 channels for 365 days+ onto a 2TB hard drive
- Seeing is believing with 4 Super HD 5MP cameras offering 130ft/40m infrared night vision & durable construction for indoors or outdoors. Add 4 more Swann NHD-865MSB bullet or NHD-866MSD dome cameras for full 8 channel monitoring^
- The NVR is 4K-ready & you can add 4K (8MP) cameras (NHD-885MSB & NHD-886MSD) for ultra HD monitoring, which has 1.7x more pixels than 5MP, or 4x more pixels than 1080p (2MP)
- The cameras feature state-of-the-art True Detect™ PIR motion sensors designed for security applications & optimized to reliably detect people, but also cars, large pets & other large heat-generating objects
- The built-in microphone in each camera records audio to add another layer of evidence to your video. Hear off-screen noises & identify voices by their gender, accent & age
- Quickshot Cloud lets you link your NVR to your personal Dropbox account to upload still images from the cameras, so that you have image evidence offsite safe in the cloud in case your NVR gets stolen
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB or network
- View live or playback video in high definition on your HDTV, LCD screen or monitor via HDMI connection or VGA port
- Surveillance in the palm of your hand with live view and playback on Smartphone & tablets including iPhones, iPads & Android devices using the free HomeSafe View app
- Prevent crime before it happens. Get a reliable push notification, see what's happening with live view and immediately take action to stop any suspicious activity

What can I do with this system?

View close up

With powerful zoom & images 2.4x clearer than 1080p

Motion & Heat Trigger Recording & Alerts⁺

- ✓ Virtually eliminate false triggers
- ✓ Accurate push notifications to your phone
- ✓ Significantly longer recording time

OLD

All movements, including objects that don't matter like leaves & trees, trigger motion detection & recording

NEW

Designed for your security, the PIR motion sensors distinguish heat & movement of larger objects including people & cars

Note: Indicative visual, video images show onscreen like normal
