**WIRELESS EARBUDS**

# MOTO BUDS 065

TRUE WIRELESS EARBUDS

  Fast Pair

 ENC mic for clear voice

 Water Resistant  
IPX4

 17h  
Music Playtime

## Features

Experience crystal-clear calls with Moto Buds 065 featuring ENC mic technology. Enjoy a comfortable fit with ergonomic design and effortless Android pairing with Fast Pair. The compact charging case provides up to 17 hours of playtime (5 hours in buds, 12 hours in the case).

Easily control your music and calls with touch controls on both earbuds. Designed for versatility, use either bud as a mono Bluetooth headset. Plus, with IPX4 water resistance, these earbuds are perfect for any activity.

# MOTO BUDS 125

## TRUE WIRELESS EARBUDS

 Rich stereo sound

DualENC mic for  
clear voice

Water Resistant  
IPX5

19h  
Music Playtime

## Features

Enjoy crystal clear phone calls with the Moto BUDS 125, featuring a noise-canceling mic for superior voice clarity. The in-ear design ensures a comfortable fit, while powerful 10mm drivers deliver great sound. These splash-proof earbuds (IPX5) offer easy touch controls.

The pocket-sized case provides an extra 14 hours of playtime, complementing the 5-hour battery life on the earbuds. Use either bud alone, enjoy voice assistant support, and quick pairing with Android devices through Fast Pair.
