

VM482ANXL

2.8" Video Baby Monitor

Multi-colour mood light

Digital zoom

Infrared night vision

Room temperature monitoring

## See and hear your baby from anywhere

The Motorola VM482ANXL is a simple video baby monitor with everything you need. Get a clear view of your little one on the 2.8" display screen. Use the digital zoom to zoom in on baby to get a better view. Always hear what's going on in the nursery, without having to be in the room. The multi-colour mood light helps soothe your little one to sleep and comfort them at night. Always stay connected to what matters most.
